Please Come or help spread the word

Will you help us as we help the DAV?

If you can buy a ticket & attend the event we would love to have you.

If you cannot attend would you consider making a \$10.00 ticket cost donation.

40 plus years ago Easy Rider captured America's imagination as a counterculture film that explored an era and its trials and tribulations.

Now, Part sequel, part prequel, EASY RIDER:

THE RIDE BACK delves into the family lineage of Wyatt "Captain America" Williams (played in the original by Peter Fonda) and the families trials and tribulations throughout the decades of the 40's, 50's, 60's, and 70's to present day.

Juxt-a-posed against the families love affair with motorcycles, the film delves into issues of love, War, honor, and redemption, while keeping true to the spirit of the original film: the iconic "Buddy Ride" and the idea of a continuing search for freedom in an America that is struggling to find its identity.

Opening against the back-drop of present day Americana, > the story begins with a conflicted Morgan Williams as he journeys to make amends with his dying father in Arizona.

The black sheep of the family, Morgan's 40 year rift with his father has been the product of his following in the footsteps of his older brother Wyatt.

Riding aboard the trademark Captain America motorcycle, a chopper which he recovered and rebuilt after his brother's death in Louisiana, Morgan teams up with his childhood friend Wes Coast as they embark upon an adventure that will force them to confront the past in order to make reparations with the present.

From the conflicting battle fields of World War II and Vietnam to the dark past that has splintered a family, EASY RIDER: THE RIDE BACK is a journey for all ages.

Every family has its secrets... Every Legend a Beginning.

EASY RIDER: THE RIDE BACK
